GENERAL INFO

- Please be on time to your scheduled call times. Parking could be scarce at venues, plan ahead as dancers need to be IN the dressing room at their scheduled call time, not pulling up to the parking lot.
- Upon arrival at their call time, dancers should be in full makeup and hair. The Fusion Staff member onsite should be able to immediately jump in to direct dancers into a warmup and/or running group routines, not wait 15-20 minutes for dancers to unpack and/or touch up hair and makeup.
- Once you are called for the day, please ask the Fusion staff member onsite if it is okay to leave the building before leaving. You may think you have enough time to leave and come back, but you may not. If you have a second call time during any particular day, that means there is enough time to leave and come back before your next call time and you are permitted to leave after your last awards before your next call time.
- Please have **Group Me** notifications on as we will be communicating through the **Company or Dance Club group chat** on location and timing updates. Please **DO NOT** comment or ask questions on this chat. It is for Fusion Staff communication **ONLY** so that we know messages are not getting lost in a long chain of replies. If you have questions ask in your personal team chat.
- **Social Media:** tag us at @thefusionstudios to be reposted! Once you receive any official media from the competition, only 20-30 second clips of ALL routines are allowed for the entirety of the season until after nationals.

WHAT TO BRING

- FUSION TEAM JACKET
- All makeup for touch ups (if you do not have your lipstick, you will be charged \$1 for an applique and to use our extra lipstick)
- Earrings (if you do not have earrings you can purchase from us onsite and will be charged \$8 - pierced, \$11 -clip ons)
