If you would like your kinder dancers to take more than the required classes, please state on your auto pay form how many classes.

*Dancers in this group will be assessed the first month of class. If the teacher feels they are not ready to be in this group, they will be excused from the commitment for the season and can try again the next year, as well as a credit of their registration fee.

Jazz Club: This group is for ages 6-13. Depending on the number of sign ups the group will be split into 2 groups based on age. The required classes for this group are 1 Ballet, 1 Tech, and 1 Jazz Choreo Class. Jazz Club Tuition is \$2,280, broken into 10 monthly installments is \$228. [See Payment Section for Tuition]

Hip Hop Club: This group is for ages 7-13. Note: Dancers may participate in both Jazz and Hip Hop Club. If Jazz and Hip Hop choreo are chosen, then 1 Ballet, 1 Tech, and 1 Hip Hop are required, in addition to Jazz Choreo Class and Hip Hop Choreo Class. Tuition for participating in both Jazz Club and Hip Hop Club is \$3,400, broken into 10 monthly installments is \$340. [See Payment Section for Tuition]

Communication: The first step in finding answers is to reach out to your TEAM MOM. Team Moms will be determined at the beginning of the season and you will be notified through GroupMe who they are. She is your first point of contact. If it is an issue only Chelsea or Mady can handle please email them directly at chelsea@thefusiondancestudio.com or mady@thefusiondancestudio.com. Other than standard protocols of texting teachers to inform them of your tardiness or absence from choreo, all communication **MUST BE THROUGH EMAIL**. Please email your respective dance team emails. Torrance dancers please email danceteam@thefusiondancestudio.com and The Hill dancers please email rhdcanceteam@thefusiondancestudio.com. If you have any concerns regarding invoices, Team News, or competition registrations please email Chelsea directly. Please refrain from texting or calling your teachers, choreographers, and staff unless it is an emergency or pertains to the above statement. If you would like to discuss any issues or concerns in person and would like to speak with a staff member, please set up a meeting with Mady or Sandra. Meetings will be allotted a 15minute time frame and anytime after the first 15minutes will be \$1 per minute. Time is valuable and if you must speak with us in person and your issue can not be resolved through an email, then we would like to respect our Director and Owner's time.

Attendance is Mandatory: Parents and students are responsible for keeping track of their attendance, even though the office will be posting a monthly tracker on our team portal. **Please refrain from making appointments of any kind during any of their required classes and choreography rehearsals.** Any required classes missed within the month should be made up as soon as possible. **If a dancer cannot fulfill their requirements, which were clearly stated before contracts were signed, then the dancer may be suspended from some or ALL of their pieces for the upcoming competition.** One class requirement missed per month is tolerable, this will be called your CLASS PASS:

CLASS PASSES are like homework passes and are to be applied to make-ups (1 total per month, which may be used for Ballet, Tech or Hip Hop). This can be used for vacations, school events, and illness. Just email the studio letting us know why and we will apply. CLASS PASSES will be ALLOWED to roll over into the next month if they do not get used. You are allowed to store up to 3 CLASS PASSES. **Any extra classes taken will not be allowed to roll over to the following month.**

If you are having a hard time figuring out which classes your child needs, ask for assistance. If attendance is an issue the student will first be notified in person and an email will be sent to the parent. If attendance does not improve, a

meeting will be scheduled with both the PARENT and STUDENT. **You must have perfect attendance to be able to participate in your first performance.** Some dancers may have different requirements/levels with Sandra's or Chelsea's approval. Parents, we strongly suggest to periodically check your child's attendance on their profile to make sure proper classes are being taken. Some dancers may be able move up to the next level in January; this is based on their progress in class from September through November. An email will be sent if they are ready to move up.

*Please note that the class schedule may change due to arrangement of the teams, or once all final team members are placed and teams are finalized. The fall schedule, including choreography classes, will be finalized August 15.

Classes: It is required that dancers take the same classes every week to gain consistency. Dancers must pick what classes on the schedule they want to take weekly. If a class is missed, they may take another class as a make-up class before the end of the month. Classes expire at the end of the month. Classes fill up quickly so you must come regularly to keep your spot. You will be notified if attendance is an issue and are at risk of losing your spot in class.

Make-up Classes: As a Dance Club member, it is highly recommended to not miss any of your required classes because there are only 1-3 required classes a week in addition to your choreography classes. However, if a class must be missed, a dancer must make up the missed class in the same genre and the same level or lower (Ballet for Ballet, Tech for Tech, etc). Example, Rebecca missed one of her Ballet 1 classes last week, she must now take another Ballet 1 class as a make-up. Dancers should fulfill their required classes for every month. At the end of every month there will be an attendance sheet posted to the team portal with everyone's current attendance standing. Remember you can apply your class passes as needed (1 total per month, which may be used for Ballet, Tech or HipHop). **You must have perfect attendance to be able to perform and compete.**

Sickness or Injuries: When students are contagious, it is in their best interest, and the Studio's, if they remain home until they are well enough to return. Students must be fever free without the use of fever reducing medication for 24 hours, in addition to showing ZERO symptoms, before returning to the studio. PLEASE DO NOT COME TO THE STUDIO IF YOU ARE SICK!

Covid Policy:

*Covid Exposure w/ Mask: You don't have to quarantine or test. Just keep an eye out for symptoms and continue to wear a mask in the studio 5 days after exposure.

*Covid Exposure & No Mask: You have to wear a mask in the studio 5 days after exposure. In addition, you must take a test on Day 4 and turn in a negative test results to the office.

*Covid Exposure in your Household: You must quarantine at home and test negative on Day 5 to be able to return to the studio on Day 6.

*CDC Update: If you test positive for Covid Studio Protocol...

1. You must email the studio!

2. Isolate for 7 days.

3. After 7 days you are allowed to return to the studio and wear a mask until you can turn in a negative Covid PCR result. Note: I understand the CDC says you can return to society after 5 days, but we are choosing 7 days to remain on the cautious side.

If you do not agree with the above new procedures and do not want to wear a mask even though you have been exposed to Covid, you will not be allowed in the studio during your quarantine period and you will have to make up the classes you missed.

Please do not hesitate to email the studio, as we are doing our best to keep track. Do not put others at risk and jeopardize our entire season. If you are sick, STAY HOME!!! **If you have been exposed to Covid, whether you were wearing a mask or not, you MUST notify the studio!** When you are at the studio, you should also social distance and request to take an air break from the teacher as needed. Try to minimize physical contact with others. It is imperative that you speak to your children about the importance of keeping their mask on and social distancing if they have been exposed to Covid. If your dancer does not wear their masks properly or has to be reminded constantly to social distance, they will be asked to stay home.

If you are injured and cannot dance, we must receive a Doctor's note with estimated date of return and when you are cleared to dance. When a student's injury disables them from participating in more than 60% of the class (usually when a child is partially immobile) they should not take class until they are better. Students are still required to attend ALL choreography classes unless they are sick. **The 2 weeks prior to a performance or competition, all**

dancers must dance full out for at least 45 mins of the class or they will be blocked out of that routine for that performance or competition. We take sickness and injury very seriously and believe dancers need to heal and rest.

Choreography Classes: Members *must* attend all choreo classes. Choreography classes CANNOT be made up. Only 2 choreo classes a trimester (Sept-Nov, Dec-Feb, March-May) can be missed with owner and teacher approval. All choreography classes are MANDATORY. Only mandatory school events are excused and a letter from the school on school letterhead is required 4 WEEKS BEFORE. If you miss more than 2 choreo classes within a trimester and the choreographer feels you are behind, you WILL be required to pay the choreographer for a private lesson (and the studio rental fee) or be blocked out for the competition, or even removed from the routine if necessary. **If your dancer has to be removed from a routine, you will be charged a reblocking fee. Exceptions will be made for illness or injury with proof of a doctor's note, and a letter from the school.**

Missing Choreo Classes: **Club rehearsals must be a priority over outside events.** The ONLY exception is when there is a school function (ex. School field trip). In this case a letter from the teacher in charge on the school letterhead is due 4 WEEKS or more prior to the rehearsal missed so the teacher can plan how to adjust the dance. We understand that weddings and other important events occur. Please understand that this is a team commitment. If there is an event that cannot be missed, we need to be notified immediately so we can make the changes needed for the routine.

It is the dancer's responsibility to be prepared and caught up on choreography from any missed rehearsals. A 4 weeks minimum notification is needed to miss a rehearsal. Please email the front desk and let the teachers know 4 weeks or more before the competition. **Your child will not be able to compete/perform if the class before the competition/performance is missed with the exception of Recital. Dancers who are injured the 2 weeks prior to competition/performance and cannot dance full out for at least 45 minutes of rehearsal will be blocked out of all of their routines. You will be removed from all routines for that competition weekend, unless you can obtain a Doctor's note stating when you can return to dance. The return to dance date must be before your 1st choreo class of the week. This is in the best interest of the dancer as well as their teammates. Injury prevention is important. Dancers who are sick the week of competition and cannot dance full out will be blocked out of all their routines. You will be removed from all routines for that competition weekend, unless they are able to dance full out during the entire duration of class at the last choreo class of the week. If you must miss a rehearsal the week of a performance or competition due to an excusable event (i.e. funeral, school event requiring a grade, wedding, graduation, senior events), the dancer will be allowed to perform/compete with the proper notice.**

Performance Requirements: **All competitions and stage shows are MANDATORY.** There are 2 mandatory competitions and 2 mandatory stage shows. Selected dances may be invited to perform in local events. More specific competition and performance dates will be given by October 1st. **There are NO refunds or credits for dances if you are blocked out due to an un-excusable reason (i.e. did not show up to rehearsal without probable cause) once competition is paid.** If you are sick or injured and therefore can not dance, we will do our best to request a credit from the competition. If you need to miss a show due to an excusable event (wedding, graduation...) email the office 6 WEEKS before and let the teachers know (most important). If you choose not to participate in a routine the day of competition for any reason that is not excusable, you will be removed from that dance for the remainder of the season. If you miss an entire competition without good cause, you will be expelled from the team. The call time for a competition will be sent out in an email the week of the competition (2 hour minimum prior to stage time). At said call time you must arrive ON-TIME, make-up and hair done, ready to perform, but not dressed in costume. Please wear warm-ups and SNEAKERS!!! It is highly recommended to come earlier to warm-up and stretch, as call-time is to run through routines only. This is non-negotiable. **Keep the entire weekend free of outside obligations. The studio competition event schedule is posted in October so ANY AND ALL conflicts need to be addressed PRIOR to November 1st.**

Penalty Fee and Re-blocking Fee: This fee is charged to your account if your dancer chooses to quit or is removed from team on the basis of bad behavior. The re-blocking fee pays for restaging and re-choreographing of the routine. Choreographers put a lot of time and effort into choreographing these routines, so when a dancer quits or is removed from a routine, it requires a lot of work to reconfigure a routine. The Penalty fee pays for incidentals, administrative work hours, any extra rehearsals, paying staff for extra rehearsals, and any punitive damages, as well as any other costs brought upon the studio as a result of your dancer quitting.

There will be a reblocking fee charged to your account per routine for missing a rehearsal the week of competition or missing a competition due to a non-medical reason or not a grade-for-school reason.

\$25 per routine with 6 weeks or more notice.

\$50 per routine with 4 weeks or less notice.

\$100 per routine for the week of.

This fee will be waived with a Doctor's note for those who are injured or are sick or a letter from the teacher in charge on the school letterhead.

Performance Etiquette: PARENTS, if you have a question or concern about anything that is occurring at an event we attend, PLEASE tell us. We are the representatives for Fusion. DO NOT ask, request, demand, or complain to any of the event staff EVER! Fusion will always try our best to fix whatever issues you may have. If there is an issue, you must speak to either Chelsea, Sandra, or any Fusion Studio Staff working, and we will take care of the issue. There is a reason we have this rule in place, and it is part of the dance world's etiquette. Everything that happens is a reflection on Fusion Studios. If Sandra or Chelsea find that a parent has spoken directly to the venue or event staff without our approval in a way that creates conflict or discord, you will be prohibited from attending future events that are held by outside venues.

Hair and Nails: As a dance team, we believe dancers look the best when their appearances are cohesive. We have a competition hair style that we use for every show. Before your dancer does anything drastic to their hair (i.e. hair cuts, coloring, etc.) it must be approved by Sandra or Chelsea. Hair is part of the costume. Your hands and toe nails should be kept short for safety purposes. For all performances the color of your nails must be neutral and look as natural as possible. Due to end of the school year events, colors on nails are allowed for recital. Please do not hesitate to ask us questions if you are in need of clarification.

Private Lessons: Once you are part of the Fusion Studios Dance Club you are able to have private lessons to further your training if you wish. If you are interested in having a one-on-one private lesson with a teacher, please notify the Director, Chelsea Malyia and she will make the necessary arrangements. Private lessons are \$60 per hour which is paid directly to the teacher and the studio rental fee is \$20 per hour which is charged directly to your account. Studio availability is based on a first come, first served basis. Any outside choreographers, private lessons, or training of any kind outside of Fusion Studios must be approved by the Studio Owner, Sandra Barranco. This is to ensure that all training of our dancers is in line with our curriculum.

Classroom & Rehearsal Etiquette Rules

1. Ready to go ON TIME in the classroom when class starts.
2. Proper Attire - See Dress Code

3. NO TALKING OR EATING DURING CLASS --- Raise hand if you have a question or comment. If teacher/choreographer is talking you are listening AND looking at them.
4. No Complaining!
5. NO NEGATIVITY! Regarding: -other dancers -other teachers -choreography -costumes -rules -dress code
6. Eliminate the use of the word "CAN'T" -example: "I can't do that many turns or I can't get my leg that high" is replaced with "I'm having a hard time with this, can you help me?" OR "I'm not sure I will be able to get this but I will work hard and try MY BEST!" or try to use the word "YET" "you can't do a double turn YET. But you will be able to do it someday if you work really hard".
7. Things to do if you are early for class/rehearsal: -STRETCH -REVIEW CHOREOGRAPHY -Check to make sure you are current with monthly class requirements
8. SWEAT -- if you are not sweating, you are not working hard enough.
9. If you are not being used for part of rehearsal or class, NO TALKING, you may stretch OR review choreography.
10. **Dancers are required to keep a notebook/folder with them in their dance bag at ALL times for taking important notes, dates, corrections, and writing out their choreography for their dances this season.**
12. If you are hurt and cannot dance, we must receive a doctor's note. Even though you cannot dance, YOU MUST BE PRESENT at rehearsal and YOU MUST TAKE NOTES. If you are contagious, please stay home.
13. EVERYONE must have a water bottle that they take with them into the rehearsal space.
14. Make wise choices about what you eat at the studio. Choose foods that fuel your body.
15. LEAVING EARLY from rehearsal OR class is NOT ALLOWED. If you MUST leave early due to extenuating circumstances, we MUST be NOTIFIED AT LEAST 24 hours in advance and it must be for an important reason.
16. RESPECT, COURTESY, and MANNERS! - Use your PLEASE and THANK YOU'S - Hold the door for others -BE the example. Show up on time, ready to work and no talking - Smile at others, it goes a long way :) - Compliments vs. Criticism - always give 150% -WE ARE ALL EQUAL. All dance levels are great!! Some of us are just farther along than others, NO ONE IS ABOVE ANYONE ELSE.
17. TRUST your teachers! Your teachers want to do what is best for you to grow and become successful. Teachers may adjust a dancer's level at any point in the season to ensure the dancer is receiving proper training.
18. DO NOT make requests or demand from your teachers to do anything in class. It is one thing if a teacher ASKS YOU if you would like to do something, but it is rude to make requests or complain about what a teacher has planned for the day.
19. Physical fighting results in an AUTOMATIC TERMINATION of your contract and REMOVAL from your TEAM!
20. If we WORK HARD, TRAIN HARD, and stay FOCUSED, we will have a fun and successful competition season.

The owner reserves the right to remove any dancers from breaking contract and for misconduct. If there are issues about Fusion policies and decisions that lead to parent disagreements, the owner reserves the right to excuse them and the dancer from the studio. Depending on severity, no warning needs to be given. Signature of agreement is on the second page of the contract. Please only return first two pages to the office.
