EPIC
DANCE TOURS

Dancers MUST be 7 years old by date of performance to participate (no exceptions).

**We will have 3-4 in-studio rehearsals prior to the date of the parade.
Dancers who participate will be required to learn parade choreography off a video. We will not be teaching choreography in rehearsals, just cleaning. Video will be released sometime in August.**

All in-studio rehearsals are MANDATORY. Rehearsals will begin after school year '26-'27 begins and will be released on the team calendar.

All current and past team dancers welcome to participate, even if you decide not to join team for next season.

All dancers 12 and under MUST have a chaperone in the park. This can be a parent or a parent can designate a different dance parent to be their child's chaperone.

All dancers 13 and over must have their parent's permission to be without a chaperone.

There will be plenty of time to play in the park the day of the parade performance.

White Keds will need to be purchased as a performance shoe, but all other costume pieces and accessories will be provided by Epic Dance Tours.

Parade will continue in the event of light rain. If Epic Dance Tours is forced to cancel due to severe weather, there are no refunds.

Deposit/First Installment (\$100) will be Invoiced January 1st. All payments are non-refundable but are transferrable to another dancer to take your place if needed.

We need at least 10 sign ups to participate. If you miss the deadline to sign up, but we are already over 10 enrolled, we will continue to accept sign ups on a rolling basis until July 20th. Deposit and previous missed payments due at enrollment. Balance for all dancers must be paid in full by August 1st.

Dancers are required to find their own ride to/from the park.

Fusion staff will chaperone until the parade is over and parents or designated guardian must collect their children to enjoy the remainder of the park.

Epic Dance Tours will cover securing all the park reservations for the dancers and spectators who purchase tickets through them. Spectators can use their magic keys or other Disneyland passes, however dancers must purchase their ticket through the dancer package with Epic Dance Tours.
