

2022-2023 Team List

Congratulations to our Season 13 dancers! This is your tentative list for the upcoming season. The number next to your name indicates the class level you should take over the summer. These levels have been approved by our Ballet and Technique Instructors. Please note, your level may change in the Fall. Please make sure you thoroughly read the entire contract before turning it in. Registration fee is due when you turn in your contract. Submit only the first 2 pages of your contract. All contracts are located on our website under the Team Page. We are accepting contracts and registration fees now. Deadline for contracts are July 1st. Thank you! :)

Now that the results are posted we are taking a "Director's Break". No emails or calls about the results will be allowed until June 30th. Any emails that are received during June 26th-29th will be deleted. If you can not follow this simple rule then we must reconsider our decision to allow your dancer to join our Dance Teams. Please allow us to rest after a **MAGNIFICENT Nationals!** <3

Please submit your contract to the front desk (New students submit your birth certificate along with contract).
